Welcome to Zagreb

Welcome to Zagreb, the capital city of the Republic of Croatia. Zagreb is an old Central European city. For centuries it has been a focal point of culture and science, and now of commerce and industry as well. It lies on the intersection of important routes between the Adriatic coast and Central Europe.

When the Croatian people achieved their independence in 1991, Zagreb became a capital - a political and administrative centre for the Republic of Croatia. Zagreb is also the hub of the business, academic, cultural, sports and artistic worlds in Croatia. Many famed scientists, artists and athletes come from the city, or work in it.

Last years 16th Open international Taekwondo Championships of Croatia has participated 146 teams with 1141 competitors from 32 countries from Europe and all over the World. The number of participating countries, and number and quality level of competitors as well correspond to importance of A-class tournament of European taekwondo union.

We are sure to make your visit a memorable one.
Welcome again!
