The WTF competition rules will be applied with one exemption: If a **point gap of 5 points** occurs, the fight ends and the child who is leading with **5 points** is declared winner of the fight.
Thanks to this rule, no child will lose with a high deficit of 6 points or more. This is favourable, because children who experience a huge deficit often not only lose the fight but also their delight in taekwondo. The same is true for the parents. We do not want to see crying children and disappointed parents, but happy families – therefore a fight ends after a **5-point-gap**.
