Pair competition: 2 athletes (m + f) **Team competition:** 3 athletes (m + m + m / f + f + f)

Age categories are based on the year of birth. For example, if someone is 29 years old on the day of competition and he/she is still to become 30 years in 2012, then he/she will participate in the division 30 up to 39 years.

COMPULSORY POOMSAE:
All Poomsae will be drawn by lot for each category out of the corresponding pool of compulsory poomsae. The forms have to be presented in the same order as they were drawn.
The drawing of the poomsae will be performed by the competition board on Friday, 15th June 2012, at 8 a.m. and will be announced immediately thereafter on www.otdv.at.

METHOD of COMPETITION: Cut off system

1st round (Preliminary; **20 or more contestants):** Two Poomsae in accordance with drawing, the best 50% proceed to the next round. If the number of contestants is odd, then the number will be rounded to make even. (E.g. if there are 25 contestants in the category, then 13 contestants shall advance to the semi-final.) Achieved points from the preliminary round will not count in the semi-final.

2nd round (Semi-final; **9 to 19 contestants):** Two Poomsae in accordance with drawing, the best 8 athletes qualify for the final. Achieved points from the semi-final will not count in the final round.

3rd round (Final; **1 to 8 contestants):** Two Poomsae in accordance with drawing.

Procedure in case of equal score:
a) In case there is a tied score after the completion of the preliminary round at the last place of the best 50%, respectively on the 8th rank of the semi-final round, the higher points in presentation will be the determining factor for advancement to the next round. If this score is equal as well, all athletes in question will proceed.

b) In case there is a tied score after the completion of the final round on the rank 1, 2, or 3, the contestant who is awarded more points in presentation shall be declared the winner. In case the score is still tied, then the one who has higher total points (including highest and lowest points) shall be the winner. If it's still tied then a rematch between the contestants in question shall be conducted. The referee will decide on the Poomsae to be performed (in any case one of the compulsory Poomsae).
